2011-2012 CITIZENSHIP PROGRAM
INDIANA STATE PTA

Early in 2011 the Indiana State PTA will be choosing a theme for the 2011-2012 Citizenship Program. We would like to have a theme suggested by a student. We will base our selection of the theme on its strength of appeal to the range of students in grades 4-12. Themes may be submitted in groups by the local unit or by individual students. All theme suggestions must be **POSTMARKED/HAND DELIVERED BY January 15, 2011.**
